Julius Caesar ?

Despite being captured by 10 pirates, Caesar brought 23 changes to Rome before being awarded with the title Consul. A master of war, he captured the 8 Gallic tribes and fully documented his 24 exploits in a book titled "Commentarii de Bello Gallico." In this novel he describes the creation of the first encryption method used to protect correspondence. After the creation of the First Triumvirate in 18BC, he was awarded the role of dictator for life, started 21 civil wars, and was murdered by as many friends as enemies.

Puzzle 3 (8 Nov)

Puzzle 4 (21 Nov)

My time on this assignment is coming to a close. After many years, it is you who must pick up the flag and carry our cause forward. Some of you must act now ^{together} so the ^{Duck} vision does not falter. I have left several ghosts - Bob C projects in progress, but be like ~~invisible~~ spirits, at first, if you must. Others of you may play a smaller role, only completing a ^{two - George} few projects. Some of you may bring a more ~~ARTISTIC FLARE~~ ~~animalistic quality~~ to our work, but never stray too far from the original intent. But remember the correct path is not always black or white. I may return briefly, from time to time, but ultimately the future of this endeavor is in your hands. ^{PRESENT AND} ^(PK)
